Contact Report No. 8, 8 Aug 52

3. Johann SANITZER

[ ] asked if there was still any interest in his continuing to follow up aggressively any possible leads to Sanitzer. [ ] tried to rationalize the topic with him, not being too sure of his ground and asked if he had anything that he could follow up aggressively. He replied in the negative and said as far as he was concerned the matter appeared to be more than dead. He went on to elaborate that Hans KASPAR, one of his most promising leads to Sanitzer, died approximately two months ago. [ ] stated that he continued to feel that Kaspar's letter to Sanitzer had never reached the latter.

4. Kaethe GANSTERER

[ ] reported that Gansterer is presently in Italy and as far as he knows her plans are to go from there to Spain.....
